

# Can you help?

## Volunteer Mentor Project (Spurgeon's Wolverhampton Axis)

Do you have free time to give as a volunteer to help make a difference in your Community?

Would you be interested in training to work with young people to support their entering the workplace or training?

Would you like to gain experience in working to support young people at risk of offending?

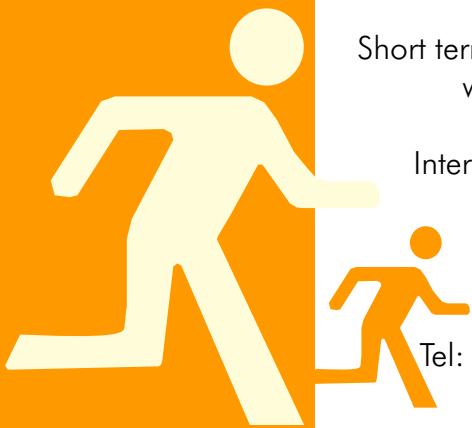

Short term, intensive programmes of voluntary work with young people available shortly.

Interested? For more information contact:-
